## **M:ADE FOR GRADUATES: OPEN CALL**

M:ADE is being supported by Foundation Scotland to pilot a new development programme for creative graduates in Moray.

*M:ADE for Graduates* aims to support those that have graduated from a creative degree within the last five years to take next steps into their professional development. From July-December 2022, we hope to work with five individuals who believe they could benefit from one-to-one mentoring, tailored workshops and being part of a peer-support network. This will include:

- One group residential\*
- Three workshops to be shaped by the group, delivered between Sept-Dec 2022
- Up to 10 hours of personal mentoring with an appropriately experienced practitioner whose practice/expertise aligns with that of the individual
- A modest personal budget to support own professional development
- One group closing session in December TBC

M:ADE invites expressions of interest from those that:

- Have graduated within the last 5 years, between 2018 and 2022
- Are based and/or working in the region of Moray
- Are actively engaged with their creative practice (we are open to all creative disciplines)
- Are open to collaborative working and sharing
- Are available 30<sup>th</sup> June and 1<sup>st</sup> July

If interested, please email [stacey@morayartsdevelopmentengagement.org](mailto:stacey@morayartsdevelopmentengagement.org) by 12pm on Friday 20<sup>th</sup> May, outlining the following:

- A statement/summary about you and your practice
- An overview of why you feel this opportunity will enhance your progression, to include how it may impact your personal and/or professional development
- Up to 3 examples of your work (no set expectation - this can be film, sound, visual images etc)

Submissions will be considered by members of the M:ADE Board and applicants will be notified by Wednesday 1<sup>st</sup> June 2022.

*\*Residential will take place across Thursday 30<sup>th</sup> June – Friday 1<sup>st</sup> July. One evening away in Edinburgh, travelling by people carrier, and staying in one private, shared pod-dorm. Walking between venues/up stairs required.*
